From Palgrave Macmillan : A Flow-of-Funds Perspective on the Financial Crisis Volume I: Money, Credit and Sectoral Balance Sheets: 1 (Palgrave Macmillan Studies in Economics and Banking) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Flow-of-Funds Perspective on the Financial Crisis

Provides a comprehensive overview of a broad range of uses of the flow of funds within the central bank community as well as in the academic field, prepared by international experts in the field. Based on the crisis experience, it offers an overview of lessons for macrofinancial analysis and financial stability.
