'A HouseBeautiful Home Business' is for anyone who has a passion, skill or hobby involving interiors and an interest in turning this into a business. You may always have a home project on the go and dream of turning your talent for styling a room, sourcing unusual products or upcycling fabrics and furniture into a successful business. With clear steps, useful links and expert advice, this book is your essential guide to making that happen.

About the Author Emma Jones is a business expert and author, and founder of small business support company Enterprise Nation. Her books include 'Spare Room Start Up', 'Working 5 to 9', 'Go Global' and 'Turn Your Talent into a Business'. Following a five year career at an international accounting firm, Emma started her first business at 27, from a spare room in her Manchester apartment. That business was sold 18 months later, and the experience led to Emma's next venture, Enterprise Nation. Its website ([www.enterprisenation.com](http://www.enterprisenation.com)) was launched in 2006 and became the most popular for home business owners in the UK, attracting over 100,000 visitors each month. In seven years, Enterprise Nation has grown into a community of over 75,000 homegrown businesses that find help and support on its website, in its books and at live events. In 2011, the company gave away over GBP10,000 in funding to UK start-ups, and has recently launched a premium membership scheme, which helps its members promote their businesses and take their venture to the next level. Emma is also a co-founder of StartUp Britain, a national campaign to encourage more people to start a business. In July 2012, Emma was awarded an MBE for services to enterprise. @e\_nation @emmaljones @brightwordpub [www.enterprisenation.com](http://www.enterprisenation.com)
