Whether we're conscious of it or not, many of us find ourselves at times drifting through life, with no clear purpose or direction. Find out how the practice of writing a plan for life can help you reapproach yours with clarity and intention. In Living Forward you will discover why modern times call for action and renewed self-control, and be given details that illustrate what a life plan is and all of the steps required to write one, with clear and easy examples to follow. It just might transform your life. You will learn:

- How to gain lucidity about what really matters to you, not just what you've been forced to prioritize
- The benefits of drafting a purposeful life plan
- How to put this plan into constant action and begin to set change in motion.
