Don't worry-most people do. But what if you could turn work into something that you loved, something that you looked forward to each and every day? What if you could make your work, play? Screw Work, Let's Play is an introduction to turning your likes and interests into viable business opportunities. For too long people have suffered under the misconception that work is something you can't enjoy. This book offers the secrets to turning your skills and passions into solutions that people are willing to pay for, so that you can love what you do for a living. You will learn:

- How to effectively use your spare time to begin working in something you love to do
- Why your skills and interests must be able to solve a problem for other people
- The importance of identifying your ideal customers and the best methods for communicating with them.
