## Passions:

In today's fast-paced world, it's tough to find the time to read. But with Joosr guides, you can get the key insights from bestselling non-fiction titles in less than 20 minutes. Whether you want to gain knowledge on the go or find the books you'll love, Joosr's brief and accessible eBook summaries fit into your life. Find out more at [joosr.com](http://joosr.com). Consider this now: Are you happy? Are you doing something that brings you joy every day? If not, it might be time to consider exactly why this is-and to learn that not only will following your passions bring you happiness; it can also lead to great success. The Connection Algorithm is about changing the way you live your life, by learning to make your passions work for you. Through implementing the book's advice, you will be able to broaden your thinking and take the necessary steps to begin changing your life for the better. From letting go of what other people think of you to staying strong in the face of adversity, every lesson will provide you with the motivation to take control of your life, today. You will learn:· The essential character traits that engender success· How to embrace and be prepared for failure· How to find your passion and turn it into a successful business.
