Joosr guide to... The Creator's Code by Amy Wilkinson: The Six Essential Skills of Extraordinary Entrepreneurs:

In today's fast-paced world, it's tough to find the time to read. But with Joosr guides, you can get the key insights from bestselling non-fiction titles in less than 20 minutes. Whether you want to gain knowledge on the go or find the books you'll love, Joosr's brief and accessible eBook summaries fit into your life. Find out more at [joosr.com](http://joosr.com). What is the difference between those individuals who turn their ideas into profit, and the ones who merely dream of doing so? Learn how to think like some of the world's most successful entrepreneurs, with six crucial skills that will drive you toward success. The Creator's Code reveals the formula for making it as an entrepreneur and includes practical steps on how to use this to your advantage. It isn't luck, riches, or connections that turn an idea into a successful business, but rather practicing the right skills to cultivate a creator's mindset. Creators notice opportunities, work with the right people, and reach their end goals because they know how to think and act for success, and this book will teach you to do the same. You will learn:

- How to turn problems into opportunities
- Why sharing knowledge and resources is so important
- That there is a "right" way to fail.
