"This Changes Everything..." this "Joosr Guide" book is a worthless book review and NOT a guide. I found it to be a waste of \$3.00. If you are aware enough to know of the existence of Naomi Klein's book "This Changes Everything..." then you could probably write this sort of Cliff Notes type of guide yourself. If you can't afford the \$13.00 Kindle version of Klein's "This Changes Everything..." just read the free "see inside" page on and you will learn as much or more within that page as you will in the whole Joosr Guide. Why did I buy this cheap Joosr Guide book? Because I could not find any helpful info about "Joosr Guide" on the Internet, and I wanted to see if the book was trying to badmouth or play down the importance of Naomi Klein's brilliant book titled "This Changes Everything..." Comparative example: If this Joosr Guide book "This Changes Everything..." was written about the 9-11 incident, the guide would say "A few planes flew into buildings today and some people died."
