S.N. Maheshwari : A Textbook of Accounting for Management, 3rd Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Textbook of Accounting for Management, 3rd Edition:

The book provides a comprehensive coverage of the course-content requirements of the students appearing in the paper 'Management Accounting' at the MBA and MCom Examinations of different Indian Universities and those of professional institutions. The book has been divided into Five Convenient Sections. Each Section covers a different aspect of 'Management Accounting' with the subject divided into chapters covering different topics in a systematic and concise manner. The unique features of this book lie in its simple and systematic presentation of theory, which would enable the students to solve practical problems with ease. The other main strengths of this book are: plentiful

illustrative examples and end-of-the-chapter exercises with answers. New in this Edition• Updated position regarding IFRSs and steps for their convergence in India• Two new chapters, namely: 'Human Resource Accounting' and 'Innovative Concepts' in Section II of the book• Section V, relating to Case Problems, to make the study of the subject more interesting and a real value addition to the knowledge of the reader
