Grover Norquist : A U-Turn on the Road to Serfdom: Prospects for Reducing the Size of the State (Hobart Papers) before purchasing it in order to gage whether or not it would be worth my time, and all praised A U-Turn on the Road to Serfdom: Prospects for Reducing the Size of the State (Hobart Papers):

This book suggests that drastic reforms are required to reverse the ever-increasing size of the state, a trend experienced in most western nations. The report proposes a reassessment of the scale of government to achieve a reduction in taxation and spending.

About the Author Grover Norquist is an American political advocate who is founder and president of Americans for Tax Reform, an organization that opposes all tax increases.
