**Duane Milano : Accounting II Essentials: v. 2 (Essentials Study Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Accounting II Essentials: v. 2 (Essentials Study Guides):

0 of 0 people found the following review helpful. He said it is easy to understand and a very useful tool  
By CustomerPurchased for my son in school. He said it is easy to understand and a very useful tool.  
0 of 0 people found the following review helpful. One Star  
By Christina CallawayWaste of my money. Did not help me at all. Do not purchase.  
4 of 4 people found the following review helpful. Save your money  
By J. RiceAfter using the Essentials Accounting I book, I was very disappointed with the follow up book for my next class. Essentials Accounting II was

much less in depth than the first book and the info it did contain was of very little, repeat: VERY LITTLE, help. By the end of the class I found that it really served no purpose in helping me at all. Accounting I is worth buying, but I suggest you do not waste your time or money on Accounting II.

REA's Essentials provide quick and easy access to critical information in a variety of different fields, ranging from the most basic to the most advanced. As its name implies, these concise, comprehensive study guides summarize the essentials of the field covered. Essentials are helpful when preparing for exams, doing homework and will remain a lasting reference source for students, teachers, and professionals. Accounting II includes current liabilities, long-term liabilities, bonds, partnerships, corporations, earnings and dividends, consolidations, statement of cash flows, and financial statement analysis.
