**Steven M. Bragg : Accounting Policies and Procedures Manual: A Blueprint for Running an Effective and Efficient Department** before purchasing it in order to gage whether or not it would be worth my time, and all praised Accounting Policies and Procedures Manual: A Blueprint for Running an Effective and Efficient Department:

1 of 1 people found the following review helpful. Substance, no fluff - EXCELLENT!By R. HarperMost books like this contain mind numbing crap you could have written yourself if you had the least bit of experience. Not this one! It's excellent with great ideas and well written policies. I'm very impressed.0 of 0 people found the following review helpful. Three StarsBy W. LoonGood ideas are given in the book. But I wish these is a bit more examples.0 of 0 people found the following review helpful. Excellent toolBy Denise ArnoldThis book is a valuable resource and I have

utilized it in establishing new policies for my company. Thank you.

Now in a fifth edition, *Accounting Policies and Procedures Manual: A Blueprint for Running an Effective and Efficient Department* is a how-to guide on creating an effective and efficient accounting department policies and procedures manual. Written by Steven Bragg, the foremost authority in accounting and controllership issues, the new edition includes: A new, complimentary Web site providing readers with the foundation for creating or enhancing their accounting department policies and procedures manual. More coverage of accounting procedures including inventory, billing, cash receipts, pricing, order entry, credit, collections, sales returns, capital budgeting, cash forecasting, payroll, and closing the books. *Accounting Policies and Procedures Manual* is the tool every accounting department needs to regularize and systematize its procedures to match the best in the industry.
