**Russell H. Conwell : Acres of Diamonds** before purchasing it in order to gage whether or not it would be worth my time, and all praised Acres of Diamonds:

0 of 0 people found the following review helpful. I love the book, sure, but:By ClaytonThis version, I give four stars because it is a scanned version. But it does have its charm and all of that. I bought the kindle format version and it is better, but this is a good historical record of the Conwell Acres of Diamonds lecture. For those enthusiasts that like old style paper books, this is your version, I say.0 of 0 people found the following review helpful. CD does not play in car stereoBy Robert CoatsNothing against 'Acres of Diamonds' since I have heard that it is fantastic and thus why I bought an audio CD to listen to it in my car - my issue is with the CD itself which does not play in my car stereo as other

audio CDs easily do. I suspect the reason for this is because it appears to be CD burned off of a computer rather than a professionally produced audio CD. Disappointed to say the least. 2 of 2 people found the following review helpful. A life changing book to read  
By Shelove Tilus  
This book helps me to look inside myself and around to discover my acres of diamond. Too often we neglect our strength, our capacities to espouse someone's else. This book arises my consciousness about the miracles that are in me. A great book to read.

In Acres of Diamonds Russell H. Conwell shows us how to identify the riches and opportunity that lie all around us. Many people search their entire life for opportunity never realizing that everything they need to succeed is already within their reach if only they recognized it.

From the Back Cover  
22 Self-guided Tours. 40 Maps. One Great Trip.  
At last, a travel guide that tells you how to see the best of everything--in the smartest, most time-efficient way.

Hotels, restaurants, shopping, and nightlife for all budgets  
A tear-resistant foldout map--enclosed in a handy plastic wallet you can also use for tickets and souvenirs  
About the Author  
Russell H. Conwell, the founder of Temple University in Philadelphia, was described by the great John Wanamaker as a student, schoolmaster, lawyer, preacher, organizer, thinker and writer, lecturer, educator, diplomat, and leader of men. Conwell was also the founder and pastor of Baptist Temple, one of the largest Protestant churches in America during his day and time. He also founded two hospitals in the City of Brotherly Love. His famous Acres of Diamonds speech helped countless individuals to come into the knowledge of the meaning of true wealth and how to attain it without getting sidetracked by selfishness and greed.
