**From JAI Press : Advances in Accounting: 23** before purchasing it in order to gage whether or not it would be worth my time, and all praised Advances in Accounting: 23:

This series focuses on the academic and theoretical side of the profession in the areas of financial accounting, accounting education and auditing. Articles range from empirical and analytical, to the development of new technologies. Advances in Accounting is now available online at ScienceDirect mdash; full-text online from volume 17

onwards.
