From Emerald Group Publishing Limited : Advances in Accounting Behavioral Research before purchasing it in order to gauge whether or not it would be worth my time, and all praised Advances in Accounting Behavioral Research:

Advances in Accounting Behavioral Research publishes high-quality research encompassing all areas of accounting including financial, auditing, taxation, managerial and information systems, addressing a broad range of issues that affect the users, preparers and assurers of accounting information. Further, this research incorporates theory from, and contributes knowledge and understanding to, applied psychology, sociology, management science, and behavioral economics.
