From Springer : **Advances in Finance and Stochastics: Essays in Honour of Dieter Sondermann** before purchasing it in order to gauge whether or not it would be worth my time, and all praised **Advances in Finance and Stochastics: Essays in Honour of Dieter Sondermann**:

In many areas of finance and stochastics, significant advances have been made since this field of research was opened

by Black, Scholes and Merton in 1973. This volume contains a collection of original articles by a number of highly distinguished authors, on research topics that are currently in the focus of interest of both academics and practitioners.
