From JAI Press : Advances in International Accounting: 14 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Advances in International Accounting: 14:

This title is a refereed, academic research annual, that is devoted to publishing articles about advancements in the development of accounting and its related disciplines from an international perspective. This serial examines how these developments affect the financial reporting and disclosure practices, taxation, management accounting practices, and auditing of multinational corporations, as well as their effect on the education of professional accountants

worldwide. "Advances in International Accounting" welcomes traditional and alternative approaches, including theoretical research, empirical research, applied research, and cross-cultural studies.
