**From JAI Press : Advances in International Accounting: Vol 16** before purchasing it in order to gage whether or not it would be worth my time, and all praised Advances in International Accounting: Vol 16:

This is a refereed, academic research annual, devoted to publishing articles about advancements in the development of accounting and its related disciplines from an international perspective. This serial examines how these developments affect the financial reporting and disclosure practices, taxation, management accounting practices, and auditing of multinational corporations, as well as their effect on the education of professional accountants worldwide.
