Dhillon, Ahmed Galal, Hafez Ghanem, Carol Graham : After the Spring: Economic Transitions in the Arab World** before purchasing it in order to gauge whether or not it would be worth my time, and all praised After the Spring: Economic Transitions in the Arab World:

This volume examines the economic problems of Arab countries following the Arab Spring. The authors argue that reforms need to accomplish four objectives: more opportunities for youth, modernization of the state, creation of a competitive private economy, and integration of Arab countries with the global economy.
