**From Asian Development Bank : Aid Effectiveness Report 2011: Achievements on Paris Declaration Commitments** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Aid Effectiveness Report 2011: Achievements on Paris Declaration Commitments:

This publication assesses the progress achieved by the Asian Development Bank (ADB) on the 2010 targets of the Paris Declaration and Accra Agenda for Action. It covers ADB's average performance from 2008 to 2010 in 25 developing member countries based on the findings of annual internal monitoring surveys. It also assesses ADB's performance in the Paris Declaration monitoring surveys of the Development Assistance Committee of the Organisation for Economic Co-operation and Development and in several independent evaluations of aid quality

conducted by donor countries and external researchers.
