**Orison Swett Marden : An Iron Will: With linked Table of Contents** before purchasing it in order to gage whether or not it would be worth my time, and all praised An Iron Will: With linked Table of Contents:

0 of 0 people found the following review helpful. InspirationalBy JamesAbell've read bits of Marden's books in several places, but I really wish I had read this when I was a teenager. Inspiring to say the least. He doesn't sugar coat the hardships of life, but he assures us that we can overcome anything if we maintain an iron will!0 of 0 people found the following review helpful. an all time classic for all timeBy CustomerFor Marden it all comes down to knowing what you want, applying all your powers to get it, and never quitting. The man is a master at weaving narrative into self help, creating timeless classic after timeless classic. Get all his books, you won't be disappointed!31 of 31 people found the following review helpful. The secret to all successBy Claude Whitacre authorI read a lot of business-marketing books. It's hard to believe that this book was written in 1901. The examples are motivating, although dated. A fast read at 49 pages. It reads like a slightly older version of ThHINK AND GROW RICH. I'm assuming that AN

IRON WILL inspired and provided the framework for the Napoleon Hill book. Solid examples. I ordered several copies as gifts. This isn't the kind of book you read. It's the kind of book you study.

In 'An Iron Will', Orison Swett Marden explains that willpower is the single most important ingredient in success. Learn how to develop willpower and then how to focus and direct it into success. If you have willpower there is nothing that you will not be able to reach for and attain!

About the Author Orison Swett Marden (1850 - 1924) was an American writer associated with the New Thought Movement.
