From Asian Development Bank : Asian Economic Integration Monitor: April 2014 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Asian Economic Integration Monitor: April 2014:

The Asian Economic Integration Monitor is a semiannual review of Asia's regional economic cooperation and integration. It covers the 48 regional members of the Asian Development Bank. This issue includes a special chapter--- Insuring Against Asia's Natural Catastrophes.
