Ravindersharma, Virender Kumar : Auditing; Principles and Practice, Second Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Auditing; Principles and Practice, Second Edition:

Audit is an integral part of accounting system of an organisation. It is one of the vital filters that ensure that the users of financial statements of an undertaking can have confidence in them. This book, now in its second edition, continues to provide the fundamental principles of auditing. This new edition includes a revised chapter on Internal control system as well as a full chapter on Internal audit. The text also incorporates the recent amendments in auditing made by the Companies (Amendment) Act 2000 and 2002, Companies auditorrsquo;s report order (CARO), 2003, AND pronouncement by professional bodies. The book is intended as a text for undergraduate students of commerce as well as those preparing for CA and ICWA examinations.

About the Author Ravinder Kumar, Ph.D., is a Faculty Member at the Department of Commerce and Business Studies, Jamia Millia Islamia, New Delhi. He has more than 12 years of teaching and research experience and has been a visiting faculty at the Indian Institute of Foreign Trade (IIFT), New Delhi. Virender Sharma, LL.B., a Fellow Member of the Institute of Chartered Accountants of India (ICAI), is a practising Chartered Accountant. He has long experience in undertaking financial as well as tax audits of both corporate and non-corporate entities.
