From Palgrave Macmillan : Banking Crises: Perspectives from the New Palgrave Dictionary of Economics before purchasing it in order to gauge whether or not it would be worth my time, and all praised Banking Crises: Perspectives from the New Palgrave Dictionary of Economics:

Why do banks collapse? Are financial systems more fragile in recent decades? Can policies to fix the banking system

do more harm than good? What's the history of banking crises? With dozens of brief, non-technical articles by economists and other researchers, *Banking Crises* offers answers from diverse scholarly viewpoints.
