Always enjoy reading John Bogle's books. My only knock is that the

message gets a bit repetitive.

John Bogle's most influential investment books, available together for the first time John C. Bogle, the founder of Vanguard, a trillion-dollar investment management company, is one of the most respected authors in the financial world. Now, for the first time, The John C. Bogle Reader brings together three of his bestselling books in one definitive collection. Don't Count on It presents Bogle's unique insights into the world of mutual fund investing and the mutual fund industry Common Sense on Mutual Funds addresses how the mutual fund industry has changed over the past twenty years, and how best to arrange and manage funds in today's world The Little Book of Common Sense Investing recommends a simple, time-tested investment strategy sure to deliver the greatest return to the greatest number of investors Essential reading for investors everywhere, The John C. Bogle Reader brings together the life-changing works of mutual fund pioneer John Bogle in one comprehensive anthology.
