**Kenneth L. Fisher : The Ken Fisher Classics Collection** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ken Fisher Classics Collection:

0 of 0 people found the following review helpful. Five Stars  
By Jim Foster  
I am a fan of Ken's books.  
5 of 6 people found the following review helpful. You only need to read one Fisher book.  
By Steven S Payson  
Fisher's books are repetitive. Reading one is enough to understand his points. Probably best to read the most recent so you get up to date charts. I read Debunkery first and would give it 4 stars.

Three of Ken Fisher's bestselling books in one handy e-book  
When it comes to finance and investing, there may be no

name as big as Ken Fisher's. A long-time columnist at Forbes magazine and CEO of Fisher Investments, every one of his books has appeared on both the Wall Street Journal and New York Times bestseller lists. In this new e-book bundle, you'll get the best of Fisher with three of his most acclaimed titles in one convenient package. In *The Only Three Questions That Count*, Fisher shows investors how to improve their investing success by answering three simple questions. In *Debunkery*, Fisher helps investors how to avoid the costly mistakes that happen when people rely on "common sense" and standard investing clichés. In *Markets Never Forget (But People Do)*, Fisher explains why investors' memories so often fail them and how to use the history of markets to avoid repeating the same investing mistakes. For investors, fans of Fisher, and anyone who cares about their money, the Ken Fisher Classics Collection offers three volumes of proven advice from an investing legend.
