World Bank : The Little Data Book 2016 (World Development Indicators) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Little Data Book 2016 (World Development Indicators):

The Little Data Book 2016 is a pocket edition of World Development Indicators 2015. It is intended as a quick reference for users of the World Development Indicators database, book, and mobile app. The database covers more than 1,200 indicators and spans more than 50 years. The 214 country tables present the latest available data for World Bank member countries and other economies with populations of more than 30,000. The 14 summary tables cover

regional and income group aggregates.

About the AuthorFounded in 1944, the World Bank Group is one of the world's largest sources of development assistance. The Bank is now working in more than 100 developing economies, bringing a mix of finance and ideas to improve living standards and eliminate the worst forms of poverty. For each of its clients, theBank works with government agencies, nongovernmental organizations, and the private sector to formulate assistance strategies. Its country offices worldwide deliver the Bank's program in countries, liaise with government and civil society, and work to increase understanding of development issues.
