**Robert Collier : The Magic Word** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Magic Word:

I have read several of Collier's books including Secret Of The Ages and find them all to be quite inspiring.

I have this belief-that big or little, praise does win friends, wins respect for yourself, wins you a monetary return, and it helps a Pullman porter, a housewife, an industrialist to bigger, better things. It costs you nothing but a smile-but do be

sincere. Like attracts like. Praise and appreciation bring back greater praise and appreciation to you. If you want health, happiness, in your life, if you are seeking riches and success, attune your thoughts to these. Let us remember the truth that we are greater than we know.
