Shu Hattori : The McKinsey Edge: Success Principles from the World's Most Powerful Consulting Firm before purchasing it in order to gauge whether or not it would be worth my time, and all praised The McKinsey Edge: Success Principles from the World's Most Powerful Consulting Firm:

0 of 0 people found the following review helpful. Really Thought Provoking BookBy IsmaelIt's a well written book, consisted, and applicable to a growth oriented individual. Highly recommended. If your looking for weekend read and a book with a punch, then give this a try.1 of 1 people found the following review helpful. Excellent bookBy Gideon

I'm at the manager level; 7 years into my career. This is an excellent book for a businessperson of any level. 0 of 0 people found the following review helpful. Five Stars
By RickGreat book

47 strategies elite managers follow to reach the highest level of success
The McKinsey Edge culls the personal best practices of an exclusive group of managers connected to McKinsey Company, a firm that services eighty percent of the world's largest corporations. Through a wealth of 47 rigorously selected, battle-tested, immediately implementable, and practical tips, readers discover the secrets to building the self, growing with others, enhancing process management, and going the extra mile to reach the next leadership horizon. Everyone struggling to accelerate their career will keep this book at their fingertips for its rare, real-world advice for ascending through the levels of management—all of which require specific mindsets and capabilities that only a handful of people ever master.

From the Back Cover
"The McKinsey Edge is filled with deep insights and easy-to-use tips. Apply these, and you can enjoy more success—as well as happiness."
—Tal Ben-Shahar, New York Times bestselling author of Happier
"Few books have truly cracked leadership concepts into tangible, practical day-to-day principles like The McKinsey Edge. If you are keen to become a strong leader and learn the fundamental insights necessary, this book will definitely get you there; it's what every aspiring leader must focus on to succeed."
—Don Stalter, Former International Managing Director with Groupon, Airbnb, and Handy
"Leadership is an art and, as in every art, practice and reflection makes perfect. This book has plenty of great ideas and advice to help us to master the art of leadership. It is full of practical wisdom for those that are initiating their leadership journeys and those that are already on it."
—Juan Antonio Fernandez, Professor of Leadership, China Europe International Business School
"Today's business world is super competitive and unforgiving and career growth is more often than not, a perilous journey. The McKinsey Edge is absolutely terrific. It provides a wealth of knowledge and practical tools to help you stand-out among your peers and to amplify your career."
—James Huang, Vice President, ChannelAdvisor Corporation
"Among the plethora of books about leadership, this book stands out by its sheer practicality. As a very readable combination of leadership principles, insights from famous people and the author's own intriguing day-to-day experiences at McKinsey, this book is required reading for any aspiring future business leader."
—Dr. Ludwig Kanzler, former McKinsey Partner
"As a former McKinsey consultant, I found Hattori's book to be a nostalgic walk through memory lane. At the same time, I was struck by how just many of the concepts captured have been instrumental to my leadership development. The McKinsey Edge provides the right mix of the theoretical and practical, and is well suited to students of business as well as managers at all levels."
—Stanford Lin, Head of Products for Visa China, Former McKinsey Consultant
About the Author
Shu Hattori is a Japanese-British national with extensive experience in management consulting, start-ups, online social commerce, and news media. While at McKinsey Company, he served in advanced industries, high-tech, and media in Asia, North America, and Europe for more than five years. Now, he runs a leadership development start-up. Shu earned an MBA from National Taiwan University with a full government sponsored scholarship and a bachelor's degree in commerce with distinction from McGill University in Canada.
