From Palgrave Macmillan : The Rise of Marketing and Market Research (Worlds of Consumption) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Rise of Marketing and Market Research (Worlds of Consumption):

This volume serves up a combination of broad questions, theoretical approaches, and manifold case studies to explore how people have sought to understand markets and thereby reduce risk, whether they have approached this challenge with a practical view based on their own business acumen or used the tools of scholarship.
