David Lindahl, Jonathan Rozek : The Six-Figure Second Income: How To Start and Grow A Successful Online Business Without Quitting Your Day Job before purchasing it in order to gage whether or not it would be worth my time, and all praised The Six-Figure Second Income: How To Start and Grow A Successful Online Business Without Quitting Your Day Job:

4 of 4 people found the following review helpful. Great Book. Practical and ActionableBy MarkI teach Business in a

public high school. After borrowing this book for half a class period, one of my students has already started a business that could very well help him pay for college. I was impressed enough with this book that I have asked for a classroom set for my Entrepreneurship class for next year. Using the ideas in this book and the plan of action described, I plan to help my students to learn about starting a business by starting one of their own while taking my class. 3 of 4 people found the following review helpful. Great overview of Information Marketing and a Fun, Easy Read By John C. This was the first book I read about information marketing and it allowed me to understand the nature of this business model easily and with excitement. I found the general tone quite enthusiastic, which made it easy to get excited to read ahead...and it wasn't overly technical nor did it get lost in the weeds. This is not meant to be an exhaustive guide to starting your own information marketing business (see Robert Skrob's 'Official Get Rich Guide to Information Marketing' for that) but rather an easily digestible overview and introduction to this business and the amazing opportunity it holds for those willing to let go of sold old, limiting beliefs. I look forward to coming back to review this again after I've built my own six-figure second income ;-)

0 of 0 people found the following review helpful. Very General, lots of ads. By Asser Ashraf Lots of different ads for other enterprises. It only is general outlines to ideas that you could attain yourself.

Proven methods for building an online income stream You don't have to quit your current job, or already have piles of money, or be 24 years old, or riding a booming economy, in order to start a successful online business. The Six-Figure Second Income explains how to start or grow a business even when you think you have plenty of strikes against you. In the course of building an eight-figure real estate information marketing business, David Lindahl and Jonathan Rozek tested dozens of tools and techniques. This book is centered around principles they derived from all the tests they ran, tools they used, and money they spent. If you're tired of the gimmicks and skepticism that anyone can really succeed online, this book will give you the no-hype, no-nonsense advice you need.
