Steven D. Strauss : The Small Business Bible: Everything You Need to Know to Succeed in Your Small Business before purchasing it in order to gage whether or not it would be worth my time, and all praised The Small Business Bible: Everything You Need to Know to Succeed in Your Small Business:

1 of 1 people found the following review helpful. First time business owner!By Ian WilsonWanting to start a business? GET THIS - - a do it all from start to go to finish!1 of 1 people found the following review helpful. i am satisfied with my purchaseBy toneyli've read through the 1st edition which i borrowed from the public library and was impressed

enough with the topics covered. i found the book very helpful and informative, which prompted me to order my own copy. i am satisfied with my purchase. prompt shipping and a smooth transaction.1 of 1 people found the following review helpful. Very informative.By Marijana DinicI loved this book. It gave me a lot of information, it answered all my questions. Step by step in depth about small businesses ,marketing, managing ,staff and a lot of information on social media. It is informative and fun. Author also suggestedede-Myth revisited book for a small business owner.I read it and loved it as well.Marijana Dinic

An updated third edition of the most comprehensive guide to small business success Whether you're a novice entrepreneur or a seasoned pro, *The Small Business Bible* offers you everything you need to know to build and grow your dream business. It shows you what really works (and what doesn't!) and includes scores of tips, insider information, stories, and proven secrets of success. Even if you've run your own business for years, this handy guide keeps you up to date on the latest business and tech trends. This Third Edition includes entirely new chapters devoted to social media, mobility and apps, and new trends in online discounting and group buying that are vital to small business owners everywhere.
