book! Full of current examples of teens who have taken matters into their own hands and are making their own money. Full blown businesses, craft projects, hobby deals, ingenuity and determination not to just wait and be handed a pay check. I loved the inspirational examples of teens who are doing it now. From teaching gigs to handling dirty jobs, craft business to publishing, online selling to theater production, there are a wealth of examples and ideas. The book is also full of well organized advice on how to find ways to make money and how to keep it going. The back chapters offer information from marketing and sales ideas to dealing with permits and the IRS, all very useful and necessary advice. There are examples of some paperwork you may need and a useful recourse section. Plus the section on what to do after high school and as college starts address an area that many business books do not. What is your exit strategy? This book gives ideas that could be possibilities. I would recommend that this book finds its way into the hands of teens nationwide, get one for your teen now. School and community libraries should make it available too.

BOOK REVIEW OF TEEN'S ULTIMATE GUIDE TO MAKING MONEY WHEN YOU CAN'T GET A JOB

REVIEW BY JANET H. DAVIS

THANK YOU FOR THE OPPORTUNITY TO READ THIS BOOK. I THOUGHT IT WAS VERY WELL WRITTEN. I PARTICULARLY LIKED THE WAY IT WAS EXPLAINED. IT COVERS ALL ASPECTS OF WORKING FOR YOURSELF. THEY CAN START OUT DOING SMALL JOBS, THEN ADVANCE TO THE JOB THAT WOULD BE INTERESTING TO THEM. YOU DO NOT MIND WORKING HARD AND LONG IF IT IS SOMETHING YOU ALWAYS WANTED TO DO. I ALSO LIKE THAT THE GOOD AND BAD THINGS THEY MIGHT FACE WHEN THEY START OUT ON THEIR OWN. I THOUGHT MANY GOOD EXAMPLES WERE GIVEN ON WHAT JOBS TO TRY. THEN THE BREAKDOWN OF WHAT YOU MUST DO WHEN YOU START. SUCH AS TAXES, LICENSE, PERMITS AND EQUIPMENT, MONEY MATTERS, ETC. I ENJOYED READING THE CASE STUDY ON A VERY FRIX. HE IS MY GRANDSON. HE CERTAINLY IS A GO-GETTER. I KNOW THE JOB EXPERIENCES HE HAS HAD WILL BENEFIT HIM IN HIS COLLEGE YEARS. EVERY TEEN SHOULD READ THIS BOOK.

This guide is a wealth of information for adults as well as teens!! Easy to read and look up topics of interest to personalize your search. The variety of job ideas, considerations (pros/cons), financial planning and budgeting, terminology for specific jobs and the way they have interjected real life examples using young people. Some of the photos used in the book seem unnecessary and were poor quality, but it doesn't effect the content of the book at all and did break up text. Table of contents is great and easy to look up the specific information you are needing. I also really like the idea that part of the profit goes to an animal shelter--Way to give back! It would be great if this book was available to students at school and at libraries. Now they need one to motivate adults...Maybe one "how to get off welfare!"

Whether it was in a department store, fast-food chain, or kiosk in the mall, everyone remembers his or her first job; even more so, you probably remember that first paycheck. But with the current job crisis, it has become harder and harder to enjoy the fruits of your labor. Now more than ever, it has become necessary to think outside the box to reel in the dough. Making money is about making smart decisions. The Teen's Ultimate Guide to Making Money When You Can't Get a Job will put you on the right track to start earning your spending money, even if you cannot land a traditional first job. You will learn how to start exploring other options, such as pet sitting, babysitting, and tutoring. You will also grasp just how to leverage the Internet to help you make money by taking paid surveys, blogging, or even teaching your parents and their friends how to use social networks. Most importantly, you will discover how to take your hobbies and turn them into your personalized income generator. This book not only covers how to make that money, but it also teaches you how to save it and how to make it grow, presented specifically with teenagers in mind. You will learn which credit cards are the best when you are first starting out. You will learn how to set (and stick to) a budget to help save for something you really want, whether it is for a car or your college education. This book contains inspiring stories from young adults just like you who have found self-employment a boon in a tough economy and are flourishing despite the tough times. If you have been hitting the pavement but are coming up short in the job department, all is not lost. With The Teen's Ultimate Guide to Making Money When You Can't Get a Job in your back pocket, you can start making money on your own without having to depend on your parents' finances.
