**Sven Louml;hr : The TRIPs Agreement - Legal Implementation on Patent Protection and Resulting Impacts on LDCs** before purchasing it in order to gage whether or not it would be worth my time, and all praised The TRIPs Agreement - Legal Implementation on Patent Protection and Resulting Impacts on LDCs:

Seminar paper from the year 2008 in the subject Business economics - Law, grade: 2,0, University of Hamburg, 62 entries in the bibliography, language: English, abstract: The following article shall give an overview of the TRIPs

Agreement and the concept to protect intellectual property. The pharmaceutical production and the abuse of rights are the main focus of this work. During the analysis of the articles and the exemplification of the conflictive interests of the developing and the industrial countries the problem of compulsory licences in the pharmaceutical sector will illustrate the problematic situation in the area of patent protection in pharmaceuticals. Finally, case studies will be integrated to back up the findings.
