Robert A Giacalone : The US Nursing Home Industry (Industry Studies) before purchasing it in order to gage whether or not it would be worth my time, and all praised The US Nursing Home Industry (Industry Studies):

An in-depth analysis of the nursing home industry in America -- its past, present, and future. It focuses on the business aspects of the industry, and provides a detailed examination of the main issues concerning all nursing homes -- trends in health care expenditures; the legislative history of the industry; growing demand for care and how to measure it; the

present structure of the industry; funding and financing concerns; government regulation; inter-industry competition and opportunities for growth; global comparisons; and public policy considerations.
