**Steven M. Bragg : The Vest Pocket Controller** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Vest Pocket Controller:

1 of 1 people found the following review helpful. nice and handyBy Eric Rojonice and handy. this is the go to guide for any financial manager/controller. any question you might have about a certain accounting topic or procedure you might encounter during your work day is here.fits in snugly in any backpack or briefcase.1 of 1 people found the following review helpful. Excellent resource for accounting professionals at any level in an organization.By E. HansberryVery handy quick reference manual for day to day operations. As a one man show in the accounting department a small company, it helps to have a quick and comprehensive source of information.
