**Joel G. Siegel, Nick A. Dauber, Jae K. Shim : The Vest Pocket CPA** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Vest Pocket CPA:

0 of 0 people found the following review helpful. Five StarsBy Kim Ruigood0 of 0 people found the following review helpful. Vest Pocket size, No...Good, Well Organized Content, YesBy MrDillonI don't think I will be carrying this book around in my vest pocket anytime soon as it's taller than 8 inches and is quite hefty. With that said, I didn't purchase this book for its size. This is the third book I've purchased from Wiley and I have been satisfied with each one. The content is well organized and presented in a user friendly manner. Not only is the material presented well but it is usually followed by realistic examples. This is the only CPA reference guide I've owned and read so I am unable to review its content in comparison to the competition, but it has yet to fail me.0 of 0 people found the following review helpful. Four StarsBy Edwin A.One of the best books I have ever bought...Great...

The newly updated fast-reference problem solver The Vest Pocket CPA—the convenient, comprehensive reference professionals have relied on for nearly fifteen years—is now updated in a new Fourth Edition to give today's busy executives and accountants the helpful information they need in a quick-reference format. Whether in public practice or private industry, professionals will always have this reliable reference tool at their fingertips because it easily goes anywhere—to a client's office, on a business trip, or to an important lunch meeting. Fully revised, the Fourth Edition: \* Includes complete coverage of the New Risk Assessment Auditing Standards and Standards of the PCAOB \* Covers new pronouncements on important accounting principles including fair value measurement, financial assets, accounting changes, exchanges of nonmonetary assets, and compilation and review services \* Adds new chapters on professional ethics and quality controls for CPA firms \* Packed with practical techniques and rules of thumb for analyzing, evaluating, and solving day-to-day accounting issues, The Vest Pocket CPA, Fourth Edition helps you quickly pinpoint what to look for, what to watch out for, what to do, and how to do it. In an easy-to-use Q A format, it covers such useful topics as financial measures, ratios, and procedures and includes checklists, samples, and worked-out solutions to a variety of accounting problems. The Vest Pocket CPA, Fourth Edition is a powerful companion for the complex, ever-changing world of accounting.

This second edition of an accounting 'bible' uses a Q A format to deliver answers to a variety of common accounting questions; from using balance sheets and taxation charts to analyzing projects and budgeting capital. This has been revised and updated to reflect the latest laws and provides all key methods of calculating inventory and other business concerns. -- Midwest Book From the Back CoverThe newly updated fast-reference problem solver The Vest Pocket CPA—the convenient, comprehensive reference professionals have relied on for nearly fifteen years—is now updated in a new Third Edition to give today's busy executives and accountants the helpful information they need in a quick-reference format.
