Edward B. Fry : The Vocabulary Teacher's Book of Lists (J-B Ed: Book of Lists) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Vocabulary Teacher's Book of Lists (J-B Ed: Book of Lists):

0 of 0 people found the following review helpful. A List for EverythingBy A. A. CrissA must have for secondary English teachers. Lists include synonyms, antonyms, oxymorons, books without words, you name it this book has a list of examples. Lists in this book will make creating English Worksheets a snap. The ultimate teacher's reference book.1 of 1 people found the following review helpful. If You Teach Language, You Need This Book!By Sharon HendersonThe Vocabulary Teacher's Book of Lists is a very useful book for me to have on my shelf. It is a great reference in planning lessons for language learners on many levels.2 of 2 people found the following review helpful. Great ResourceBy LILEOAn excellent resource for ESL, community college English, and after-school programs. The vocabulary lists provide an endless array of possible activities. Great ideas for study lists in Reading/Vocabulary courses, extra credit assignments, and make-your-own word games like Scattergories.

"Edward Fry has the uncanny as well as canny (choose your word) ability to take a complex concept?in this case vocabulary?and present it in a form useful to students and teachers." Allen Berger, Heckert Professor of Reading and Writing, Miami University "The Vocabulary Teacher?s Book of Lists will serve as an invaluable reference tool to any instructor involved in teaching English or designing project work. The content spans the grades from 4th up to college and is characteristic of Edward Fry?s contribution to be both comprehensive and creative." Pat Costigan, learning consultant, Bordentown Regional School District, New Jersey "Teachers who want to mix test-prep with life-success-prep will welcome The Vocabulary Teacher?s Book of Lists as an easy-to-use resource for lively lessons. They?ll enjoy the wry humor of Dr. Edward Fry?s teaching suggestions as he marries word work to wordplay." Lee Mountain, professor, curriculum and instruction, College of Education, University of Houston The Vocabulary Teacher?s Book of Lists offers content for literally hundreds of vocabulary improvement lessons for elementary and secondary teachers, self-improving adults, home schoolers, and students studying for their SATs. While there are dozens of shorter high interest lists of words, the core of the book is based on Latin and Greek roots and prefixes. But the largest list is Homophones. In fact it is one of the largest lists of homophones you will ever use. This list, like many others, is appropriate for spelling lessons or writer?s reference as well as vocabulary improvement. nbsp; There are two dozen teaching methods in the Methods chapter and teaching suggestions to help improve reading and writing are scattered throughout the book. The lessons can be as short as a word-a-day or as long as a school year. The range of difficulty can go from upper elementary to college freshman classes, and be as diverse as adult education to English language learners. nbsp;
