Jeanette Henderson, Roy Henderson : There's No Such Thing as Public Speaking: Make Any Presentation or Speech as Persuasive as a One-on-One Conversation before purchasing it in order to gauge whether or not it would be worth my time, and all praised There's No Such Thing as Public Speaking: Make Any Presentation or Speech as Persuasive as a One-on-One Conversation:

11 of 11 people found the following review helpful. Good Book, But Not For The CluelessBy Chan Joon YeeFor

someone who has already done some public speaking and presentation, this will serve as an excellent book that helps the speaker build confidence by focussing on a single member of the audience. It's such a simple and helpful technique that many of us who have been speaking publicly for years may be surprised why we didn't know it. Further to this, the author also offers a lot of tips on attire, eye contact, pitch, gestures, pauses, microphone issues and so on. I strongly recommend any public speaker to buy and keep a copy of this book for reference before any presentation. Very valuable reference for the seasoned public speaker or someone with a bit of experience, but for those still struggling with stage fright, it won't help that much. 0 of 0 people found the following review helpful. Simple techniques for powerful results
By Dennis F. Kinsey
People have been making presentations since the beginning of time. These presentations have not always been pretty. Jeanette and Roy Henderson pull back the curtain to reveal how to be a great presenter. Their tips and techniques are surprisingly simple. You do not have to master all of these techniques to greatly improve your presentations. Try it and immediately improve. 0 of 0 people found the following review helpful. Very Pleased Student!
By Emma Claire
Product has no damage and everything is there. The book is working wonderfully for the class and I am very pleased with it.

Two top public-speaking coaches offer fresh advice on giving effective speeches and presentations with the immediacy of a conversation. The best speeches don't sound like speeches, and the best speakers make listeners feel as though they are being addressed directly. The trick is to make every presentation as natural and direct as a one-on-one conversation. This expert but accessible guide reveals: - The six truths behind every conversation-and how to use them at the podium - The three steps to inspiring any audience - The seven secrets for using voice and body language - The seven tools every speaker uses or misuses Whether addressing a few colleagues or a packed auditorium, readers will find practical and simple techniques for inspiring every listener.

About the Author
Since 1988, Jeanette and Roy Henderson have used their method to train thousands of people in business and politics to be better public speakers through their company, Podium Master.
