Barbara Gross Davis : Tools for Teaching (Jossey-Bass Higher and Adult Education Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tools for Teaching (Jossey-Bass Higher and Adult Education Series):

I've read countless books on teaching strategies over the years, and I can't think of one that compares--in depth, breadth, accessibility, and practicality--to this one. Tools for Teaching has much to say to teachers of all ranks, disciplines, and institutions. --Mary Deane Sorcinelli, director, Center for Teaching, University of Massachusetts, Amherst A rich compendium of classroom-tested strategies and suggestions designed to improve the teaching practice of beginning, midcareer, and senior faculty members. Forty-nine teaching tools cover both traditional tasks--writing a course syllabus, delivering a lecture--and newer, broader concerns, such as responding to diversity and using technology.
