Chantal Blouin, Jody Heymann, Nick Drager : Trade and Health: Seeking Common Ground before purchasing it in order to gauge whether or not it would be worth my time, and all praised Trade and Health: Seeking Common Ground:

Trade and Health answers this question by exploring the entire array of avenues through which trade affects health, and examining a number of case studies on how best to achieve policies that integrate health objectives. The contributors represent the full range of stakeholders in the trade-health debate - medical professionals, civil society

representatives, academics from a range of disciplines, and negotiators and policy-makers at the national and global levels.

About the Author Chantal Blouin is senior researcher, Trade and Development, The North-South Institute, Ottawa. Jody Heymann is founding director of the McGill Institute for Health and Social Policy, and founding director for the Project on Global Working Families, Harvard
