James Altucher : Trade Like a Hedge Fund: 20 Successful Uncorrelated Strategies and Techniques to Winning Profits (Wiley Trading) before purchasing it in order to gage whether or not it would be worth my time, and all praised Trade Like a Hedge Fund: 20 Successful Uncorrelated Strategies and Techniques to Winning Profits (Wiley Trading):

11 of 12 people found the following review helpful. Read, Learn, and Something to Think About...By Atherton ReaderThe author reveals several strategies for hedge funds or private investors to think about, but he wouldn't be revealing these ideas if the opportunities continued to exist today. Nevertheless, its helpful to understand the types of strategies that are considered by top investors like him and a glimpse into competitive business of hedge funds. Variations of the investment themes may lead one to new ideas or down the right path. I happened to follow up on his useful comments on wealth-lab.com and used it to back test data.His writing style is clear and not arrogant. Similar to Jim Cramer in style, his primary focus is trading profits -- not math, academics, or philosophical issues. Easy to read and hard to put down.Similar to the Market Wizards by Jack D. Schwager, the author is writing about his own trading experiences (and not others interviewed by J. Schwager) and reveals the dynamics and challenges of making money as a fund manager.0 of 0 people found the following review helpful. The author does a good job of laying out some valuable strategies for when ...By CustomerI am always looking for new ways to build my skills in trading. The author does a good job of laying out some valuable strategies for when and why to enter and exit the market.2 of 3 people found the following review helpful. There is no bankruptcy bounce. In chapter 3 of ...By Patient ResearcherThere is no bankruptcy bounce. In chapter 3 of his book, James gives a half dozen cases where a stock did bounce after declaring bankruptcy, but generally speaking this does not seem to be the case. A more recent survey of OG bankruptcies found that almost all headed down from the first open following bankruptcy news. Detail here: [...]

Learn the successful strategies behind hedge fund investing Hedge funds and hedge fund trading strategies have long been popular in the financial community because of their flexibility, aggressiveness, and creativity. Trade Like a Hedge Fund capitalizes on this phenomenon and builds on it by bringing fresh and practical ideas to the trading table. This book shares 20 uncorrelated trading strategies and techniques that will enable readers to trade and invest like never before. With detailed examples and up-to-the-minute trading advice, Trade Like a Hedge Fund is a unique book that will help readers increase the value of their portfolios, while decreasing risk. James Altucher (New York, NY) is a partner at Subway Capital, a hedge fund focused on special arbitrage situations, and short-term statistically based strategies. Previously, he was a partner with technology venture capital firm 212 Ventures and was CEO and founder of Vaultus, a wireless and software company.
