Ruzbeh J. Bodhanwala : Understanding and Analyzing Balance Sheets Using Excelreg;, 2nd ed. (with CD-ROM) before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding and Analyzing Balance Sheets Using Excelreg;, 2nd ed. (with CD-ROM):

This compact text presents the basics of accounting and finance using Excelreg; as a tool for preparing and analyzing Balance Sheets and Profit Loss Statements. The book also helps in learning the basics of Excelreg; and different functions it provides to format financial statements. The second edition of this book emphasizes on accounting ratios that have been explained in detail by using the balance sheet of Ingersoll Rand India Ltd. for the year ending March 2008. The author uses the balance sheet of Ingersoll Rand India Ltd. to help students relate accounting principles to real-life situations. The topics analyzed include day-to-day problems which managers encounter such as forecasting balance sheets, investments in stock markets, management of receivables and inventory, EMIs, cost of discounting schemes, and designing finance schemes to promote a new product. The book is accompanied by a CD-ROM which includes balance sheet of Ingersoll Rand India Ltd. and some Excelreg; worksheets. This updated edition will be useful primarily to postgraduate students pursuing courses in management and commerce disciplines. It will also be of help to professionals indulged in model-building and developing a decision support system on Excelreg; worksheets.
